

Williams Refrigeration goes

SQUARE

NEW one door Jade Sandwich and Preparation Counter with Canopy makes a come back with great improvements to make food service even easier!

- Small café or deli? No problems, the new Williams Jade one-door has been compactly built to suit.
- The Jade compliments contemporary style, shop fit-outs with the new square-line front.
- Fit more in—increased ambient storage area under the glass canopy.
- More room for your point-of-sale material with a larger canopy top.
- Easily store goods in the spacious under counter refrigerated area.

- Reduce spoilage with the blown air feature—cool air flows across pans maintaining a safe food temperature.
- Avoid food traps with the easily maintained, stainless, one-piece top.
- Protective air-duct floor prevents food falling inside the cabinet.
- No fuss, convenient, removable air-ducts.
- Easy cleaning and servicing of condenser fins with removable cassette.
- Peace of mind with 24 month Williams parts & labour warranty.
- Support local manufacturing—the Jade one door is 100% Australian made.
